### **Visual Edge IT Recognized as Kyocera's Largest Dealer of the Year**

North Canton, OH – February 4, 2025 – Visual Edge IT is proud to announce that it has been recognized as Kyocera Document Solutions' Largest Dealer in North America. This prestigious honor reflects Visual Edge IT's continued growth, commitment to innovation, and strong partnership with Kyocera in delivering cutting-edge office technology and production printing solutions to businesses nationwide.

Brian Frank, Chief Operating Officer of Visual Edge IT, expressed his gratitude for the recognition:

*"On behalf of Visual Edge IT, I am very honored to accept this award from Kyocera Document Solutions as their largest dealer in North America. We couldn't ask for a better partner than Oscar Sanchez, Jim Duvall, and the entire Kyocera team."*

As a total technology provider of managed IT, print, and cybersecurity, Visual Edge IT has built a reputation for delivering exceptional service and industry-leading products to businesses of all sizes. This recognition from Kyocera Document Solutions, a global leader in document imaging technology, further reinforces the strength of the partnership between the two organizations.

Visual Edge IT remains committed to empowering businesses with innovative document management and IT solutions, and this award serves as a testament to the company's ongoing success and leadership in the industry.

#### **About Visual Edge IT**

Visual Edge IT is a national provider of managed IT services, cybersecurity, and office technology solutions. With a network of over 70 local service providers across the U.S., Visual Edge IT delivers best-in-class technology solutions designed to improve efficiency, security, and business performance.

#### **About Kyocera Document Solutions**

Kyocera Document Solutions is a global leader in document imaging technology, providing businesses with high-performance printers, copiers, and software solutions to streamline workflows and enhance productivity.
